

C & V Income Tax Services Moving Expense Worksheet

You can deduct eligible moving expenses from employment or self-employment income you earn at your new location if you move and establish a new home to be employed or carry on a business. You can also deduct moving expenses if you move to study courses as a **student in full-time attendance** enrolled in a program at a post-secondary level at a university, college or other educational institution. However, you can **only** deduct moving expenses from the part of your scholarships, fellowships, bursaries, certain prizes, and research grants required to be included in your income.

Your new home must be at **least 40 kilometers** closer to the new place of work or educational institution.
